THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI': (a) and (b) The first unit of 2: 0 MW at Farakka was synchronised on 1st January, 1986 and had, upto the end of September, 1986, generated 183. 4 million units. Commercial operation of the unit did not materialize on account, mainly, of constraints in the Coal Handling Plant and ' the Merry-Go-Round (MGR) System for coal transport, thereby calling for excessive oil support. Delays in the MRG system have resulted from nonavailability of land (in Bihar and West Bengal) which has since been acquired by the respective State authorities and the MGR System is expected to be ready by March, 1987. The construction of the Coal Handling Plant, which was delayed on account of labour problems, is also expected to be camnleted shortly.

New scheme for refilling of gas cylinders

695. SHRI R. SAMBASIVA RAO: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state;

(a) whether it is a fact that the Bharat Petroleum propose to introduce a new scheme with regard to refilling of gas cylinders at the re. sidence of consumers in some of the mertiropolitan cities in the country-and
